Background Information:

Any recommended approach to take; special needs, 1:1 work including outreach, difficult home situation, effects of medication, etc.?

Referral Criteria:

- 1) All referrals must have a risk assessment attached. Please note that referrals will not be processed until this is received.
- 2) Referrals are accepted from the Crisis team if we feel we can meet the person's current needs; however it must be recognised that the resource centre is not a crisis service. We may need additional support to accept a proposal while the person is particularly unwell.
- 3) Referrals can be made for anyone aged 18 and over living in West Sussex.
